

RECRUITMENT

JOIN OUR TEAM!!!

We are seeking Junior Secondary teachers for our upcoming English Immersion Program launching in April 2027!!

Employment will begin in September 2026 to allow for curriculum development, training, and program preparation.

We are looking for three subject teachers English, Mathematics, and Science to contribute to curriculum development aligned with the Japanese Ministry of Education standards.

You'll help create engaging, inquiry-driven learning experiences that foster global competence and holistic growth.

Ideal candidates should have experience in English-Medium Instruction, language immersion, or international settings. We value teamwork, innovation, and a commitment to ongoing professional development.
